About Montgomery County, Maryland

Montgomery County is located adjacent to Washington, DC and with over one million residents, is the most populous county in the State of Maryland. The County is also the most diverse county in the State and ranks among the top ten most diverse counties in the nation. Montgomery County is home to many major U.S. government offices, scientific research and learning centers, and business campuses.

The County Government is composed of the Executive and Legislative branches. The Executive Branch implements and enforces Montgomery County's laws and provides executive direction to the government. Its chief executive officer is the County Executive. There are over 30 executive branch departments and agencies that help to deliver services to more than one million county residents. Montgomery County is proud of the services it offers.

Montgomery County Executive Marc Elrich has outlined [seven priority outcomes](#) for the county's future.

- Thriving Youth and Families
- A Growing Economy
- A Greener County
- Easier Commutes
- A More Affordable and Welcoming County
- Safe Neighborhoods
- Effective, Sustainable Government

About Montgomery County Health and Human Services

The [Department of Health and Human Services](#) (HHS) is responsible for delivery of the County's public health and human services that meet the needs of our community's most vulnerable children, adults and seniors. The Department provides services through more than 120 programs at more than 20 locations. With 1,750 employees, HHS is the largest County Department.

As a Department, we believe health and wellness of the county can only be achieved by ensuring that every resident has fair opportunities to reach their fullest potential. This means access to quality housing, transportation, education, employment, health care, human services, safe neighborhoods and healthy food. HHS provides critical services for residents who face a variety of obstacles in achieving their full potential. HHS plays an essential role in building a healthy and strong community.

The [Department](#) delivers over 120 programs and services through six (6) divisions:

- Aging and Disability Services
- Behavioral Health and Crisis Services
- Children, Youth and Family Services
- Community Affairs
- Public Health Services
- Services to End and Prevent Homelessness

About the Division of Behavioral Health and Crisis Services

The Behavioral Health and Crisis Services (BHCS) division promotes the behavioral health and well-being of Montgomery County residents. BHCS works to promote mental wellness, prevent substance abuse and suicide, and to ensure access to a comprehensive treatment and recovery system of effective services and support for children, youth and families, adults, and seniors in crisis or with behavioral health needs. BHCS is committed to ensuring culturally and linguistically competent care and the use of evidence-based or best practices along a continuum of care. BHCS works with the State's Behavioral Health Administration, HHS service areas, County agencies, and the community to provide strength-based and integrated services to persons in need.

The FY2020 operating budget for Behavioral Health and Crisis Services is \$45.5 million. The staffing compliment includes 218 FTEs. For additional information regarding the FY2020 budget allocation for Behavioral Health and Crisis Services, please click [here](#).

Programs and Services include:

- Behavioral Health Planning and Management
- 24-Hour Crisis Center
- Mental Health Services for Seniors and Persons with Disabilities
- Treatment Services
- Access to Behavioral Health Services
- Forensic Services
- Outpatient Behavioral Health Services – Adult and Child
- Trauma Services
- Specialty Behavioral Health Services
